Media Advisory Aggravated Battery and Robbery Investigation

The Wichita Police Department (WPD) is investigating an aggravated battery case that injured a 19-year-old male with non-life-threatening injuries.

At approximately 12:50 a.m. today, officers responded to a shooting in a parking lot in the 900 block of West Central. Upon arrival, officers located the 19-year-old male victim who had a gunshot wound to his body, and multiple shell casings. He was transported to an area hospital for medical treatment.

The investigation revealed the 19-year-old and a friend were in the parking lot when a disturbance ensued with a male suspect. The male pulled out a handgun and fired multiple shots, striking the victim and a silver Chrysler 200 vehicle belonging to the victim's friend. The suspect then took property from the victim and fled with the other individuals.

This was not a random incident.
